MANAGEMENT'S REPORT

The accompanying financial statements and other information contained in this financial report are the responsibility of the management of the City of Cold Lake.

The financial statements have been prepared by management. Financial statements are not precise since they include certain amounts based on estimates and judgements. Management has determined such amounts on a reasonable basis in order to ensure that the financial statements are presented fairly, in all material respects.

The City of Cold Lake maintains systems of internal accounting and administrative controls that are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and that the City of Cold Lake's assets are properly accounted for and adequately safeguarded.

The elected council of the City of Cold Lake are responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the financial statements.

Councillors meet annually with management and external auditors to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, and to satisfy themselves that each party is properly discharging its responsibilities. Councillors consider the engagement or reappointment of the external auditors and also review monthly financial reports.

The financial statements have been audited by Johnston and Petryk, Certified General Accountants, the external auditors, in accordance with Canadian generally accepted auditing standards on behalf of Council, residents and ratepayers of the City of Cold Lake. Johnston and Petryk, Certified General Accountants has full and free access to Council.

Cold Lake, Alberta February 22, 2008 Gordon Frank CAO

#201, 4807 - 51 Street, Box 540, Stn. Main, Cold Lake, AB T9M 1P2 TEL 780.594.4441 FAX 780.594.6608

AUDITORS' REPORT

To the Mayor and Council of: City of Cold Lake

We have audited the **Statement of Financial Position** of the **City of Cold Lake** as at December 31, 2007 and the **Statement of Financial Activities and Change in Fund Balances** and the **Statement of Changes in Financial Position** for the year then ended. These financial statements are the responsibility of the City's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the City of Cold Lake as at December 31, 2007, and the results of its financial activities and the changes in its financial position for the year then ended in accordance with Canadian generally accepted accounting principles.

Cold Lake, Alberta February 22, 2008

DECEMBER 31, 2007

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the municipality are the representations of management prepared in accordance with generally accepted accounting principles for local governments established by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants. Significant aspects of the accounting policies adopted by the municipality are as follows:

(a) Reporting Entity

The financial statements reflect the assets, liabilities, revenues and expenditures, changes in fund balances and change in financial position of the reporting entity. This entity is comprised of the municipal operations plus all the organizations that are owned by the municipality and are, therefore, accountable to the Council for the administration of their financial affairs and resources.

The Schedule of Taxes Levied also includes requisitions for education, health, social and other external organizations that are not part of the municipal reporting entity.

The financial statements exclude trust assets that are administered for the benefit of external parties. Interdepartmental and organizational transactions and balances are eliminated.

(b) Basis of Accounting

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. Expenditures are recognized in the period the goods and services are acquired and a liability is incurred or transfers are due.

Funds from external parties and earnings thereon restricted by agreement or legislation are accounted for as deferred revenue until used for the purposes specified.

Government transfers are recognized in the financial statements as revenues in the period that the events giving rise to the transfer occurred, providing the transfers are authorized, the municipality has met any eligibility criteria, and reasonable estimates of the amounts can be made.

(c) Use of Estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenditures during the period. Where measurement uncertainty exists, the financial statements have been prepared within reasonable limits of materiality. Actual results could differ from those estimates.

(d) Fund Accounting

Management funds consist of the operating, capital and reserve funds. Transfers between funds are recorded as adjustments to the appropriate equity account. Proceeds from sales of land held for resale are recorded as operating fund activities.

(e) Investments

Investments are recorded at amortized cost. Investment premiums and discounts are amortized on the net present value basis over the term of the respective investments. When there has been a loss of value that is other than a temporary decline, the respective investment is written down to recognize the loss.

SCANNED

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2007

(f) Inventories

Inventories of materials and supplies for consumption are valued at the lower of cost or net realizable value with cost determined by the average cost and first-in-first-out methods.

Land held for resale is recorded at the lower of cost or net realizable value. Cost includes cost for land acquisition and improvements required to prepare the land for servicing, such as clearing, stripping and leveling charges. Related development costs incurred to provide infrastructure such as water and wastewater services, roads, sidewalks and street lighting are recorded as capital assets under their respective function.

(g) Capital Assets

Capital assets are reported as expenditures in the period they are acquired. Capital assets are reported at cost except for donated assets, which are reported at estimated fair value.

Government contributions for the acquisition of capital assets are recorded as capital revenue and do not reduce the related capital asset cost.

Capital assets for government purposes are not depreciated.

(h) Tangible Capital Assets

Effective January 1, 2007 the City of Cold Lake adopted Accounting Guideline 7 (PSG-7) of the Public Sector Accounting Handbook of the Canadian Institute of Chartered Accountants ("CICA") with respect to disclosure of tangible capital assets of local governments. PSG-7 provides transitional guidance on presenting information relating to tangible capital assets until Section 3150 - Tangible Capital Assets of the Public Sector Accounting Handbook comes into effect on January 1, 2009.

During 2007, the City of Cold Lake continued to work towards compliance with the new recommendations for accounting for tangible capital assets. As of December 31, 2007, the City of Cold Lake has begun to process the listing and values for all tangible capital asset catagories. A complete listing of assets and values for all tangible capital assets is currently underway and expected to be completed by December 31, 2008.

(i) Requisition Over-levy and Under-levy

Over-levies and under-levies arise from the difference between the actual property tax levy made to cover each requisition and the actual amount requisitioned.

If the actual levy exceeds the requisition, the over-levy is accrued as a liability and property tax revenue is reduced. Where the actual levy is less than the requisition amount, the under-levy is accrued as a receivable and as property tax revenue.

Requisition tax rates in the subsequent year are adjusted for any over-levies or under-levies of the prior year.

(j) Prepaid Local Improvements Charges

Construction and borrowing costs associated with local improvement projects are recovered through annual special assessments during the period of the related borrowings. These levies are collectable from property owners for work performed by the municipality.

Where a taxpayer has elected to prepay the outstanding local improvement charges, such amounts are recorded as deferred revenue. Deferred revenue is amortized to revenue on a straight line basis over the remaining term of the related borrowings.

In the event that the prepaid amounts are applied against the related borrowings, the deferred revenue is amortized to revenue by an amount equal to the debt repayment.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2007

(k) Operating Fund

The operating fund represents the amount available to offset future operational revenue requirements or the shortfall which will be financed from future operational revenues.

(l) Capital Fund

The capital fund represents the amount available to finance or the shortfall in financing capital projects.

(m) Reserve Fund

The reserve fund represents the amount set aside to finance future operating and capital expenditures. Reserves are established at the discretion of Council. Transfers to and/or from the reserve fund are reflected as an adjustment to the respective fund.

(n) Equity in Capital Assets

Equity in capital assets represents the munipality's net investment in its total capital assets, after deducting work in progress, the portion financed by third parties through debenture, bond and mortgage debts, long-term capital borrowing, capitalized leases and other capital liabilities which will be repaid by the municipality.

DECEMBER 31, 2007

7. BANK INDEBTEDNESS

The City has an authorized overdraft limit in the amount of \$1,000,000 which bears interest at prime minus 0.25% and is secured by an overdraft protection agreement. At year end, the City had used no part of this limit.

8. DEFERRED REVENUE

	2007	2006
Prepaid Local Improvement Charges	\$ 197,974	\$ 244,275
General Deferred Revenue	18,385	17,715
	\$ 216,359	\$ 261,990

Prepaid Local Improvement Charges

Prepaid local improvement charges are being amortized to revenue at rates ranging from \$123 to \$19,404 per year over the next 1 to 20 years.

General Deferred Revenue

General deferred revenue consists of unexpended funds received in the current or previous years and relates to prepaid registrations.

9. EMPLOYEE BENEFIT OBLIGATIONS

	2007	2006
Vacation and Overtime	\$ 393,682	\$ 299,061

Vacation and Overtime

The vacation and overtime liability is comprised of the vacation and overtime that employees are deferring to future years. Employees have either earned the benefits (and are vested) or are entitled to these benefits within the next budgetary year.

DECEMBER 31, 2007

LONG-TERM DEBT							
	2007	2006					
Tax Supported Debentures	\$ 13,407,923	\$ 13,021,909					
Self Supported Debentures	1,917,874	1,917,874					
	\$ 15,325,797	\$ 14,939,783					

The current portion of the long-term debt amounts to \$1,102,215 (2006 - \$1,154,666).

Principal and interest payments are as follows:

	<u> Principal</u>		<u> Total</u>		
2008	\$ 1,102,215	\$ 809,624	\$ 1,911,839		
2009	897,050	721,934	1,618,984		
2010	741,903	658,683	1,400,586		
2011	787,608	612,978	1,400,586		
2012	836,482	564,104	1,400,586		
Thereafter	10,960,539	4,066,300	<u> 15,026,839</u>		
	\$ <u>15,325,797</u>	\$ <u>7,433,623</u>	\$ <u>22,759,420</u>		

Debenture debt is payable to the Alberta Capital Finance Authority and bears interest at rates ranging from 4.699% to 12.00% per annum before Provincial subsidy and matures in various amounts between 2007 through 2026. The average annual interest rate is 8.13% for 2007 (10.69% for 2006). For qualifying debentures, the Province of Alberta rebates 60% of interest in excess of 8%, 9% and 11% to a maximum annual rate of 12.5%, depending on the date borrowed. Debenture debt is issued on the credit and security of the municipality.

Interest paid during the year amounted to \$839,978 (2006 - \$780,660).

Subsequent to year end, the City of Cold Lake received a Centennial Legacy grant for \$1,700,000 plus accrued interest as well as an Energy Centre Debenture for \$3,750,000 in March 2008. These funds will be used to offset the deficit in the Recreation and Parks reserve specifically for the Energy Centre.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2007

12. SALARY AND BENEFITS DISCLOSURE

Disclosure of salaries and benefits for elected municipal officials, the chief administrative officer and other designated officers as required by Alberta Regulation 313/2000 is as follows:

	Name of Person	 salary (a)	wances and lits (b) & (c)	_	2007 Total	 2006 Total
Mayor	Allan Buck	\$ 30,966	\$ 22	\$	30,988	\$ 32,095

		\$ 212,964	\$ 17,867	\$	239,987	\$ 266,194

- (a) Salary includes regular base pay, bonuses, overtime, lump sum payments, gross honoraria and any other direct cash remuneration.
- (b) The employer's share of all employee benefits and contributions or payments made on behalf of employees including pension, health care, dental coverage, vision coverage, group life insurance, accidental disability and dismemberment insurance, long and short-term disability plans, professional memberships and tuition.
- (c) Allowances and benefit figures include the employer's share of the costs of additional taxable benefits including special leave with pay, financial planning services, retirement planning services, concessionary loans, travel allowances, car allowances, and club memberships.

DECEMBER 31, 2007

13. DEBT LIMITS

Section 276(2) of the Municipal Government Act requires that debt limits as defined by Alberta Regulation 255/00 for the City of Cold Lake be disclosed as follows:

	2007	2006
Total long-term debt limit	\$ 35,790,903	\$ 25,981,079
Total long-term debt actual	15,325,797	14,939,783
Amount of debt limit unused	\$ 20,465,106	\$ 11,041,296
Debt servicing limit	\$ 5,965,151	\$ 4,330,180
Debt servicing actual	1,911,839	2,228,017
Amount of debt servicing limit unused	\$ 4,053,312	\$ 2,102,163

The debt limit is calculated at 1.5 times revenue of the municipality (as defined in Alberta Regulation 255/00) and the debt service limit is calculated at 0.25 times such revenue. Incurring debt beyond these limitations requires approval by the Minister of Municipal Affairs. These thresholds are guidelines used by Alberta Municipal Affairs to identify municipalities that could be at financial risk if further debt is acquired. The calculation taken alone does not represent the financial stability of the municipality. Rather, the financial statements must be interpreted as a whole.

14. CONTINGENCIES

The municipality is a member of the Alberta Municipal Insurance Exchange (MUNIX). Under the terms of membership, the municipality could become liable for its proportionate share of any claim losses in excess of the funds held by the exchange. Any liability incurred would be accounted for as a current transaction in the year the losses are determined.

Within the municipality, there are residences in the Horseshoe Bay area that could collapse into Cold Lake due to unstable soil conditions. The municipality has insurance to cover costs due to damages. However, any capital improvements required to stabilize these soil conditions are uninsurable. It is uncertain as to whether any liability will be incurred therefore no amount has been accrued as a contingent liability in these financial statements.

15. INTEREST RATE RISK

Certain debt bears interest which fluctuates with the prime rate, as described in Note 7, thus exposing the municipality to interest rate fluctuations

DECEMBER 31, 2007

16. LOCAL AUTHORITIES PENSION PLAN

Employees of the municipality participate in the Local Authorities Pension Plan (LAPP), which is one of the plans covered by the Alberta Public Sector Pension Plans Act. LAPP serves about 133,000 people and 389 employers. The LAPP is financed by employer and employee contributions and by investment earnings of the LAPP Fund.

Contributions for current service are recorded as expenditures in the year in which they become due.

The municipality is required to make current service contributions to the plan of 7.75% of pensionable earnings up to the year's maximum pensionable earnings under the Canada Pension Plan and 10.64% for the excess. Employees of the municipality are required to make current service contributions of 6.75% of pensionable salary up the year's maximum pensionable salary and 9.64% for the excess.

Total current service contributions by the municipality to the Local Authorities Pension Plan in 2007 were \$291,712 (2006 - \$234,641). Total current service contributions by the employees of the municipality to the Local Authorities Pension Plan in 2007 were \$256,887 (2006 - \$206,112).

17. LANDFILL CLOSURE AND POST-CLOSURE LIABILITY

Alberta environmental law requires closure and post-closure care of landfill sites, which includes final covering and landscaping, pumping of ground water and leachates from the site, and ongoing environmental monitoring, site inspections and maintenance.

There is presently inadequate information available to determine the accrued liability related to the cost of closure and post-closure care for the landfill site. Neither the estimated total landfill capacity nor the remaining landfill capacity is known, either at the year end date or at the date of the Auditors' Report.

It is known that during the 2007 fiscal year, the landfill will be closed to conform with directions issued by Alberta Environment. At that time, a study will be conducted by the municipality to determine the total capacity and the remaining capacity of the site. The study will include a calculated estimate of the costs of closure and post-closure and maintenance and is presently being completed.

18. FINANCIAL INSTRUMENTS

The municipality's financial instruments consist of cash and short-term deposits, taxes and grants in place of taxes receivable, other accounts receivable, long-term investments, accounts payable and accrued liabilities, deposit liabilities, employee benefit obligation, and long-term debt. Unless otherwise noted, it is management's opinion that the municipality is not exposed to significant interest or currency risks arising from these financial instruments.

The municipality is subject to credit risk with respect to taxes and grants in place of taxes receivables and trade and other receivables. Credit risk arises from the possibility that taxpayers and entities to which the municipality provides services may experience financial difficulty and be unable to fulfill their obligations. The large number and diversity of taxpayers and customers minimizes the credit risk.

Unless otherwise noted, the carrying value of the financial instruments approximates fair value.

19, APPROVAL OF FINANCIAL STATEMENTS

These financial statements have been approved by Council and Management.
