

Physiotherapist

Elevation Health

Cold Lake, AB

Are you a Physio looking to grow within a compassionate, supportive, skilled and collaborative team?

Elevation Health is located in the beautiful small and bustling city of Cold Lake in Northern Alberta. True to its name, Cold Lake is nestled on the edge of a beautiful (and yes...cold) picturesque lake that is a playground for outdoor adventure seekers. We have a young and vibrant community with a huge focus on resources for young families. We are talking about green spaces, playgrounds, campgrounds, waterparks, ski hill, zip lines, climbing walls, hiking trails and amazing schools galore!

Check out this video from our amazing team members sharing their highlights about being part of Elevation Health Team <https://www.elevationhealth.net/careers>.

We are a quickly expanding practice right in the heart of the community. Our team has grown from 3 to 10 amazingly talented individuals in just 5 short years. We have a great working relationship with our local physicians, nurse practitioners, chiropractors, massage therapists and fitness instructors. Being in a smaller community we have a huge diversity in our client population that we work with from across the lifespan. We live by our core values of promoting continued growth, providing a team-based approach to care, and always striving for wellness for our clients and ourselves. We have a wonderful team culture that makes for a very supportive work environment and interesting team events.

We will offer you:

- Structured Clinical Mentorship Program
- Established Online Charting, Booking, Exercise Systems
- Quick Caseload Building Opportunities
- Private Treatment Spaces
- Annual Education Allowance
- Clinic Provided Computers/Laptops/Ipads
- State of the Art Facility and Equipment
- Company Retreats and Culture Building Events
- Administrative Support Managing Reception, Appointments, Invoicing and Billing
- 60 minute Initial Assessments and 30 minute Follow Ups
- Opportunities for Leadership Roles within the Team

We are huge supporters of mentorship. At our bi-weekly Power Hour Meetings we have all members of our very skilled team get together to review client experience management, review case studies, and drop knowledge bombs from varying disciplines of care. One on one mentorship opportunities are also available to help give you the tools you need to elevate your care to the next level.

Recommended Competencies

Interest or training in needling or pelvic health will be considered an asset.

We would love to hear from you!
